Welcome
Welcome and Thrice Welcome

You men with a heritage that is God given and that will live as long as time.

Your record is an open book that those who care may read and in so doing be filled with a spirit of humbleness and yet grateful for being one of our great civilization—the chosen ones of whom gave their all that we might live the life we choose, unhindered and unafraid.

The Peoples Exchange is ever striving to serve humanity even as you served and saved democracy.

We buy and sell on the closest margin possible, saving our customers hundreds of dollars weekly that others would consider as "fair profits."

We handle only the best of pure food products and handle them in such a manner as to be the acme of cleanliness and sanitation.

We want you to get acquainted with the merchandising policy of the Peoples Exchange.

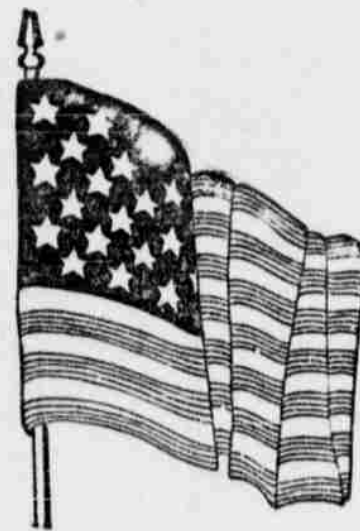

Again we say Welcome, and we wish you a most enjoyable reunion.
